

REMARKS

In reviewing the allowed claims before payment of the issue fee, it was noted that there were not antecedents in claim 11 for the terms "rotor" and "base" in claim 16. This has been corrected by changing the dependency of claim 16 from claim 11 to claim 12.

This is a simple matter of correction under 35 U.S.C. 112, second paragraph, and requires no examination of the prior art and only a cursory review to permit entry. Therefore, entry of the amendment is respectfully requested.

Respectfully submitted,
